

The Facts

iBudget Medicaid Waiver – Waitlist

FACT

Since May 2011, the waitlist has remained over 20,000 Floridians with Developmental Disabilities (DD).

FACT

The waitlist impacts people with DD of all ages – from children as young as 3 years, to those aged 60 and above.

FACT

There are aging parents who have adult children with complex needs who are waiting.

FACT

Many people with DD and families desperately need the services and supports now, yet they are kept waiting for over 10 years.

FACT

Other states including Louisiana, Ohio, and Oklahoma have recently eliminated or drastically reduced their waitlist.

FACT

Florida is not allocating enough funds to fully support all its citizens with DD and their families.
